DEAR READERS,

What a wonderful collection of lovelies we have for you this month. A veritable forest of wet panties just waiting for you to get in touch with them. Do also check out www.europorn.com where you can meet women online. Of course you can still write to anyone in the magazine by simply writing your letter, putting the person's name on the front and then sending it to us. We always forward letters on to the ladies on a daily basis. Whatever method you choose we'll make sure your letter gets to who you choose. On another point can I once again ask readers who request panties to please enclose sufficient to cover the cost of replacements. Women's panties are not cheap and you won't get much change out of a twenty even at a supermarket so do please bear this in mind. I hope you enjoy the issue.

LOUISE GORTEN

Having just divorced her husband 34-year-old Louise says that she's looking for some really amazing sexual experiences. 'It has been so long since I had sex with anyone. My ex was so useless in bed that I spent most of my marriage with my fingers in my pants. You really cannot appreciate just how horny I am at the moment. I could take on ten men at the same time and after three hours still be craving for more. I am absolutely sex mad and gagging for your cock. I don't care what you look like or how old you are. I just need a hard cock that I can fuck!'

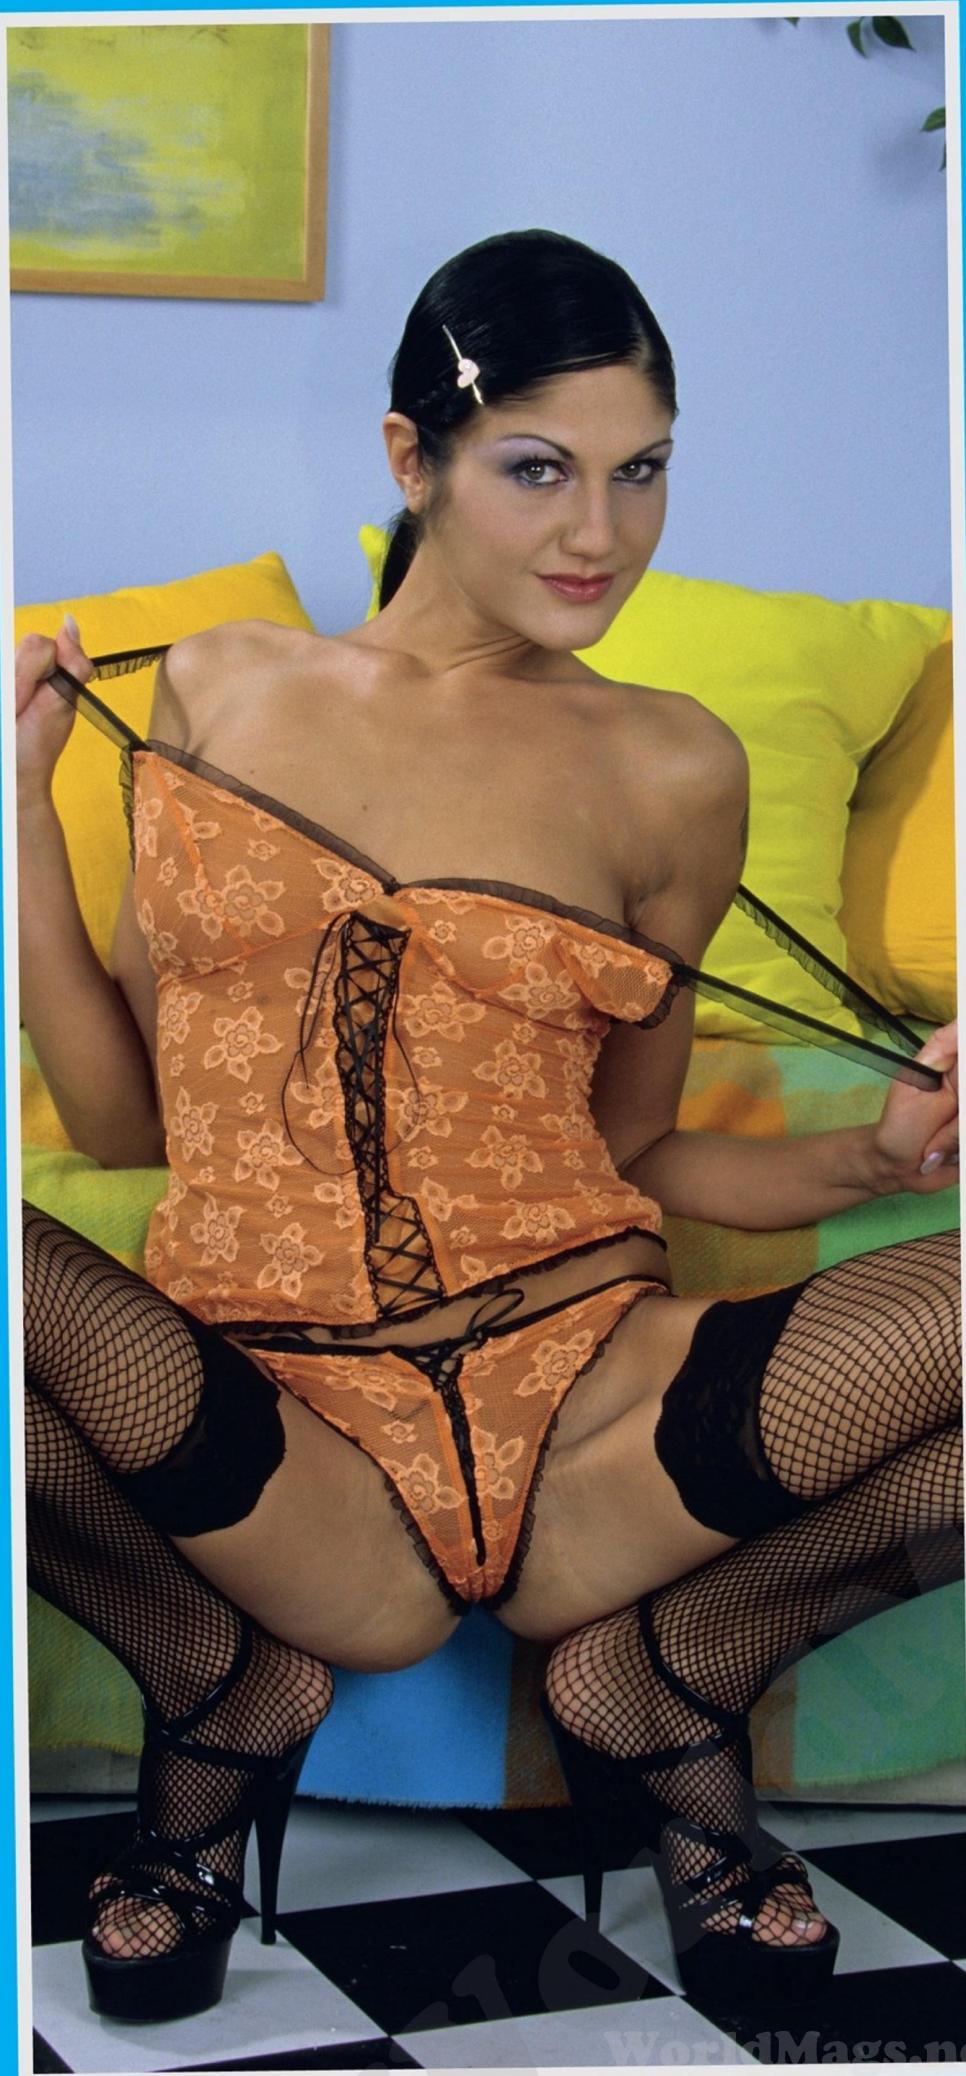

RACHEL KNIGHT

Rachel a 31-year-old from Birmingham has just ditched her husband of ten-years because he decided he didn't want her to appear in a porn movie. 'There is this guy who lives quite near us and he offered me the chance to star in a home-made porn movie with his 55-year-old uncle. I jumped at the chance but my husband went all moody and made such a fuss that

the guy withdrew the offer. I was livid and walked out on my husband there and then. I have a new apartment now and I can do what I like without having to listen to what other people want. I'm still looking for that part in a porn movie. It doesn't have to be professional. I'm happy if it is just a couple of guys with a camcorder.'

← Dear Melanie,

I am a 35-year-old divorcee who doesn't know how to go about finding a man willing to fuck me. Oh yes I could walk the streets or start talking to people on trains but I want to meet somebody caring and nice not a maniac. A friend told me about your magazine so I am throwing myself on your mercy. Please find me a man who likes brunettes with small breasts. I will be your friend forever if you can help me.
Julia – Weston-Super-Mare

Dear Melanie, →

This is a picture of my 31-year-old wife Naomi. Naomi says that she is bored although she doesn't want to end our marriage. She feels that if she is allowed to have sex with other men it will make her realise where she is well off. Yes I know it's a pretty flimsy premise but I love her and

I am prepared to go along with it. If you fancy her do get in touch. She prefers older men and is willing to send her panties to anyone interested.
George – Maidenhead

← Dear Melanie,

My boring 35-year-old wife is an accountant and never does anything without planning it to the last detail. I suggested to her the other day that I would find it exciting to watch her have sex with another man. Amazingly she agreed immediately. She even dressed up in this new underwear so I could take a picture. This may be the start of an exciting new era in our marriage. I need to find a reader willing to fuck her senseless before she changes her mind.

Peter – Sutton Coldfield

Dear Melanie, ↓

Five-years ago my husband walked out on me to live with a teen-age girl. I haven't seen him since he left and I have not had any kind of relationship either. I will be 40 next year and I don't want to reach that milestone without a man in my life. I have tried dating services on the Internet but all I found were dirty old men that just wanted a bloody housekeeper. I want a really nice man who will fancy me, fuck me and love me. You are my last chance saloon. It would make me happy if you got into my knickers!

Jane – Walsall

← Dear Melanie,

I just wanted to send you this picture of your reader 23-year-old James giving my 35-year-old wife Janet a good seeing to last summer. We have discussed this for a few years but it was only this summer with the warm weather that we decided to do something about it. Janet particularly really loved being fucked in the arse, something that I was never able to manage. Fortunately, James had no such problem and slipped into her arse with ease. I have made a rod for my own back because all she goes on about is more anal. Next summer we need to meet more readers. Chris – Ringwood

THE NEW F

EXCLUSIVE READERS' STORIES...

THIS MONTH WE VISIT
A GROUP OF PEOPLE WHO
ENJOY THE OUTDOOR LIFE AND
SEX. WE CAUGHT UP WITH THEM
ON ONE OF THEIR EVENTS.

FOREST SEX CLUB

You don't associate the New Forest in Hampshire as a hot bed of sexual activity. However with the forest covering an area of 145 square miles there are still plenty of secluded spots where the Hampshire's horny people can meet, picnic and shag without having to worry about being seen. The largest group of shagger's in the forest are the 'New Forest Orgy Club' based around the town of Lyndhurst.

Club president 54-year-old Bert Grindall explained how the club got started. 'Six-years ago there was just a small group of us who liked to meet up for sex in the forest. Then by word of mouth the group grew bigger and now our membership is over 100. Our members are of all ages and our love of the outdoors enables us to enjoy a very healthy lifestyle. Of course the great weather during the summer saw us have twice as many events as usual.'

The Autumn Orgy, the biggest event in the club's calendar was the one we attended. The late autumnal sun was warmer than most years so the sex started earlier than usual. Bert told us 'the sex usually starts after lunch but this year there were people fucking as early as 10.00 am which is unusual.' Bert's blonde wife Gwen was early into the action. She can be seen in quite a few of these pictures. 'I like to have sex with every member attending both male and female' said Gwen before rushing off for a threesome.

'She really loves it' said Bert. 'She may be 45 but she is a real asset to the club. All the male members can't wait to fuck her and the women like her too. She's a big lass but we prefer the bigger lady here in the forest. Why don't you go and get yourself some wet pussy and I'll see you again at lunch' suggested Bert.

All the members knew each other. As Geraldine, a friend of Gwen and one of the original founding group explained. 'We all just love sex and don't believe that two people can satisfy each other. I don't want to get divorced so me my husband Michael and I decided that we should separate sex from love within our relationship. So far it has worked well. We have sex with members but we 'make love' together, it is really just a state of mind.'

We asked Bert about new members. 'We welcome new members and you don't have to live locally nowadays. We have members from Bournemouth, Salisbury and London now. We tend to welcome couples more than singles but if you happen to be young and attractive we will bend the rules to accommodate you.'

We found the entire organisation of the event to be first class. There was certainly a lot of sex going on and no shortage of

people ready to invite you to join in. As Joan a 54-year-old grandmother told us 'my husband isn't interested in sex but I love it. What the club does is satisfies my sexual desires whilst my husband satisfies my companionship needs. It all works out nicely you see.'

Well there you have it, an unusual hobby group trying to put a new spin on old pleasures. Reader's wishing to apply for membership should write a letter to Mr Bertram Grindall, 30 up Magazine, Trojan Publishing, PO Box 58220, London, N1 6WZ. We will forward all letters to Bert on a daily basis. Please note that 30UP cannot be held responsible for any applications made. Bert will make the final decision in each case and he is under no obligation to explain his decision. Good luck!

LEONA SANCHEZ

Recently arrived from Los Angeles and working as a doctor in London 35-year-old Leona says that she wants to meet a nice British man. 'I came here because I am a specialist in cosmetic surgery. I can make you look much younger than you really are. Of course to become so good at what I do I had to sacrifice romance to study really hard in

what is a man's world. However I have made it and I earn big money now. So I'm looking for a nice reliable man over forty who can offer me romance and love. I don't need a rich man. I have plenty of money. I would rather have a poor man who was rich in romance and knows how to treat a woman like a lady. I am so gagging for it that my pants are permanently wet!'

CAROL STEVENS

This yummy mummy from Peckham is looking for a toy boy. I have been divorced for ten years but I think at 45-years of age I deserve some toyboy fun. I am really horny today. Just look at my nipples they are throbbing with passion. I would love to get my hands on a really hard young

cock. I do oral and anal so you can't shock and surprise me when it comes to sex. I'm up for anything. I know that I am a little old but everything is in full working order. My panties are soaking wet as we speak. In fact if I don't get a fuck soon I'm going to go mad.'

LYNNETTE CARNFORS

Lovely Lynnette a 32-year-old single mother from Romford says she isn't getting out enough. 'With two small children it is pretty difficult to have any kind of social life. It has been years since I had sex and I'm absolutely gagging for it. When my best friend said that she had met somebody through your magazine I was very interested. It took a lot of courage to agree to strip off like this. I have never done anything like this before but I am hoping it will be worth the effort. I really don't mind who I meet as long as they fancy me basically. These panties are so wet I feel as if I've cum already. What I wouldn't give to feel two fingers probing my wet pussy. Oh God please get in touch and fuck me.'

DOREEN FOSTER

Poor Doreen says that her husband is no longer interested in her sexually. 'He is a wonderful man but at 56 he is pretty much past any kind of sexual activity. This is a bit of a problem for me because I absolutely adore sex and I miss it terribly. My husband has kindly said that I can meet men for sex if I get too horny. Well I am very horny

and I'll take as many men as you can find. I'll be 40 in a few weeks but I don't want to stop having sex. All I need is to find some guys who might be interested in me. I know I am probably a lot older than most of the women you feature but I think some guys are turned on by mature women aren't they? I hope so because I'm up for it.'

EXCLUSIVE READERS' STORIES...

WOMEN OVER THIRTY OFTEN COMPLAIN THAT THEY ARE UNABLE TO FIND A DECENT MAN. SO THIS MONTH WE FEATURE FIVE ATTRACTIVE THIRTY-SOMETHING WOMEN IN SEARCH OF LOVE, LUST! AND GREAT SEX!

Caroline De Lazlo – age 37 – London

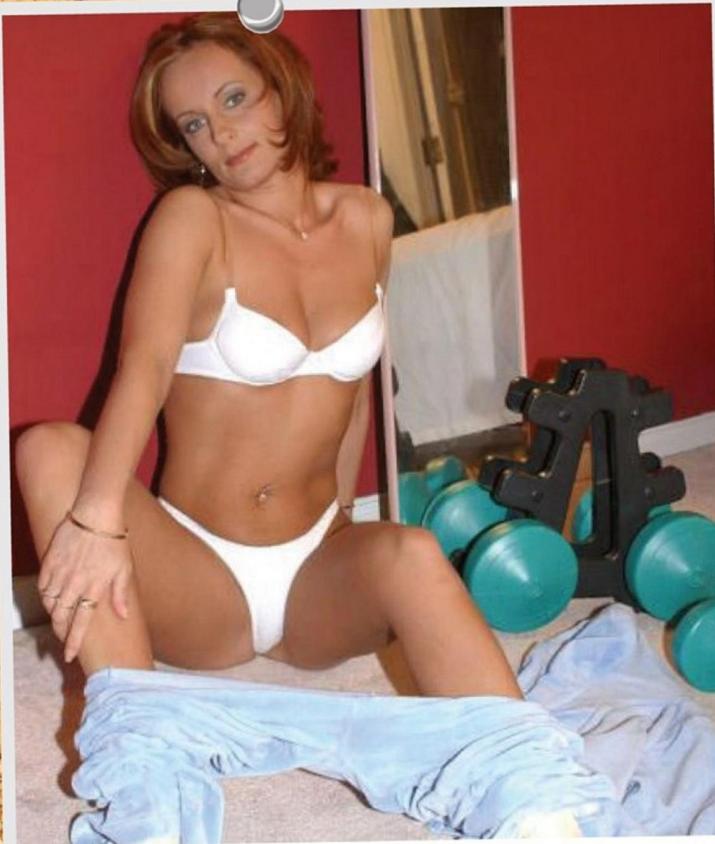

'I have never been married and only came out of a long-term relationship six months ago. I left everything too long, stayed in an unsatisfactory relationship and life just passed my by. So here I am pushing forty with no man and definitely no sex. I think I'm ok, I could lose a little weight I know but I am horny and I can ring all your bells if you let me. I love it when somebody rubs my clit through my panties, then pulls them to one side and fucks me. I have never tried anal sex but I am willing to give it a go. I don't mind how old you are and looks are really not important to me.'

Alison Jablansky – age 38 – Aberdeen

'I have been divorced for ten years now. For the most part I don't have too much of a problem not having sex but recently I have started feeling really horny at the oddest times. Sometimes when I am at work at my desk I get the sudden urge to slip my fingers up my skirt and give myself an orgasm. I have just bought this thing called a 'butterfly'. You slip it inside your knickers and run the control wire to a pocket in your skirt. Push the button and it vibrates inside your panties and will give you a guaranteed orgasm in about three minutes. Bloody fantastic little thing! Of course it isn't as good as a bloke but it will do for the time being!'

UCK ME PLEASE!

Catherine Woolnough – age 32 – Maidenhead

'I have worked as aircrew for quite a few years with a major airline and it is a great career. However, it plays havoc with your social life and you'll end up like me, living on your own with the old biological clock ticking away like crazy. I have just taken a ground job with the airline and I'm hoping that this will give me the stability to have a romance or something. I hope you like this picture of me in my undies my best friend took the other day.'

Sarah Lewes – age 35 – Leeds

'I have never been married because I have my own business. I have always been too focussed on work to bother with romance. The problem with this philosophy is that once you consolidate your success you look around and find that you have nobody with whom to share the benefits. That's me! I have everything I could possibly want except a man to love, spoil and cherish. I would give anything to have somebody waiting in bed for me when I come home. As you can see I actually have absolutely no idea of how to seduce man. I just hope that you will get the message and get in touch.'

Chrissie Stone - age 33 - London

'I am very successful at work and have a top position in a large multinational company. Unfortunately, I am not as successful when it comes to men. I haven't had many boyfriends because I have spent too much time working. Now I realise that if I don't do something soon I am going to be left on the shelf. So I persuaded my flatmate to take this picture so that I could send it to you guys. It is the most daring thing I have ever done in my life and I found it was a real turn-on What you see is what you get. I love sex and these panties are pretty damp right now. I would really love to meet up with you for some great sex. I don't have any preference to be honest. I'll be happy to meet you regardless of what you look like.'

LORNA NORTON

Lorna a 32-year-old accounts manager from Leeds is disappointed that she still hasn't found Mr Right! 'I can't really explain why I am still single but romance just didn't happen for me. My biggest fear is that I will end up being single forever. It's easy for men because they can ask people out but as a woman you have to wait to be asked. The last time

somebody asked me out was three years ago. Ever since then I have been on my own. In the end I decided to take desperate measures to make sure that I find somebody. At least in these pictures you get to see exactly what you are getting. I just hope that they tempt you to get in touch with me. I can't wait to meet you.'

IT'S YOUR WIFE

Dear Melanie, ↑

Thank you so much for such an amazing magazine. My wife Linda appeared in one of your issues and here she is a few weeks later being fucked by your reader Tom. Tom was only one of over 300 replies we received. We picked him because he lived quite near, wrote a nice letter and sent a picture of him with the biggest erection I have ever seen. Once Linda had seen that there was no stopping her. She harassed me until we had fixed a date in the diary for Tom to come round. Tom was amazing and Linda wants to see him again. Greg – Northampton

↑ Dear Melanie,

I am a 32-year-old career girl who has an amazing job and a beautiful flat in Central London. Unfortunately, like a lot of women I have spent more time succeeding at work than having a social life. A few days ago I was invited to this great party but I had nobody to take. I suddenly realised that life was passing me by and I needed to get some quality 'ME' time. Put bluntly I need a bloke and I need one sharpish. So if you like what you see and think that if we were in a bedroom you would be able to fuck me then get in touch.

Caroline – London

Dear Melanie, →

I took this picture of my 34-year-old wife last Sunday morning. She had worn those panties all the previous day and that night. They are probably full of cum. When I suggested that she might like to sell her panties to your readers she got really excited. So I told her I would send you this picture. She was so turned on by the idea that she leapt on me begging to be fucked. As I took those panties off I could feel they were soaking. They could be yours if you get in touch.

Richard – Chesterfield

ALISON ROBERTS

Sadly 36-year-old Alison's husband walked out on her last year after fifteen-years of marriage. 'I am only now able to face the possibility of a relationship. It was a shock when Adam left me. I wasn't expecting it nor was I expecting him to go off with somebody so much younger. Oh well I had better stop

moaning and explain that I am really keen to meet anyone who finds me attractive. I'm up for sex but I am not very good at it to be honest. Obviously this had a bearing on my husband leaving me. I'm willing to try anything and I pick things up pretty quickly so with a good instructor I might end up a bit of a sex bomb. Go on try me!'

LINDA WINTER

Linda a 40-year-old divorced lady from Chester is looking for a nice guy who appreciates the larger lady. 'I don't do diets, I don't do healthy eating and I don't count calories. I love my food too much and if you are looking for a future Slimmer of the Year then

I'm afraid you are looking at the wrong person. My ex husband left me for a girl with a stick insect figure. On the other hand if you want great sex, huge firm breasts and a woman who cumms at a drop of the hat then I really am your woman . Let me make this a year to remember!'

EXCLUSIVE READERS' STORIES...

THIS MONTH WE ARE DELIGHTED TO BE ABLE TO FEATURE PEOPLE WHO HAVE DIRECTLY BENEFITED FROM 30UP. THESE REPORTS WILL GIVE HOPE TO EVERYONE.

Kathy Forsyth – age 32 – Manchester

'With my own business to run I wasn't looking for love and romance just sex! I had over four hundred letters after I appeared in your magazine. Unfortunately, very few came with a photograph. Although I'm not that bothered about looks you don't want to meet somebody who looks like an axe murderer do you! In the end I chose 59-year-old Don Henderson an ex pat living with his wife in Gran Canaria. They offered a beautiful home, year round sunshine and friends who were into swinging. It sounded absolutely perfect and when I arrived in October to meet them I saw it was indeed just that. Don was well trim despite being almost sixty. His lovely wife Rosemary a stunning 45-year-old was charming and clearly got turned on when I fucked Don. I think it also made her feel better when she was fucking a variety of their friends. This shot shows me on the left giving Don a fantastic blowie and Rosemary on the right making sure that 47-year-old Ray was hard enough to do the business. A great choice and all thanks to you guys.'

Jenny Patterson – age 36 – Salisbury

'When I appeared in 30UP I was basically looking for sex because my husband had lost interest in me sexually. Although I received over 200 responses from your wonderful readers it was a reply from a 26-year-old woman called Claire who finally pressed all my buttons. Like me her husband had lost interest in her but although she was very frustrated she did not want to have sex with men. I was intrigued and decided to meet her. An hour into that meeting I knew that she was exactly what I needed and a further hour later and we were in bed together.'

'I am not a lesbian but sex with Claire has taken me to new sexual heights that I could never have imagined previously.'

YOU VERY MUCH

Becky Goldsmith – age 30 – London

'I wrote to you after dumping my boyfriend of eight years. Things weren't going right between us and I found it a huge relief when we stopped living together. The sex was always shit so I was looking forward to starting all over again. What I didn't expect was a letter from a 20-year-old girl wanting a sexual relationship. So what started as curiosity soon turned into experimentation. Let me make it quite clear that I am still looking for a guy but a wonderful girl sex thing happened one afternoon and I am so glad I was able to try that. We had a great time as this picture shows. Her name was Annie and although I think she wanted a permanent relationship I was happy with the one-off. I still need a bloke because all the male letters were too crude to deserve a response so I'm still looking.'standard?'

Yvonne Simpson – age 32 – Putney South London

'When I wrote to you months ago I never expected any response. Even when I posed in the magazine baring everything including my hairy pussy I still wasn't prepared for over 300 letters! Most were lovely but a few were really offensive in a sicko bastard psychopathic kind of way. The problem is there is only one of me and all I wanted was a guy capable of giving me an orgasm. Well in the end I chose 25-year-old Adam an advertising sales executive who lives in West Norwood. He certainly was a great choice because I have an orgasm with him every time we have sex. He is a lovely guy but also pretty adventurous. I took this picture with a timer so you can see how great the sex is.'

Contact:

As always if you wish to make contact with any of these ladies you can write a letter to them. Put this in an envelope and send it to us. We pass on all letters that are stamped the same day. Please note that we are not responsible for any replies you may or may not receive. We are merely offering a mail forwarding service in this instance. A number of ladies have also told us that they cannot afford to reply unless return postage is covered.

Hayley Crouch – age 32 – Dundee

'I wrote to you guys complaining that my husband was a crap shag. Of course I realise now that he was more than crap he was absolutely fucking drop dead useless! Out of 120 letters I received the one that stood out for me was 24-year-old amateur body-builder Arch. Am I so shallow that I looked at his perfect body, huge cock and lovely smile? Too bloody right I was and better still I wasn't in any way disappointed he was absolutely delicious. I can't get enough of him and despite the eight-year age difference I believe that we will end up together. He wants me to move in with him and as soon as I can hammer out a settlement with my husband I'm off.'angry and so in need of getting even that I am going to fuck the first person who actually offers me sex, I mean it I really do. This could be you!'

ELIZABETH SUTTON

When 34-year-old Elizabeth from Stroud says that these black panties are soaked in her cum we believe her. 'Running my own business doesn't give me a lot of time for relationships so I tend masturbate quite a lot. Even at work I will pop into the loo and give myself a quick finger fuck. All my friends are either married or with a guy. I think I need to get a grip and start looking for a man. I'm not looking for love just some great sex. It has been years since I actually had

a real cock inside me. I have just been too focussed on my job. I should warn you that I am a bit of a squirter when I orgasm. It is quite a spectacle so expect to get a bit wet if you fuck me. I have never tried anal sex but I would love to have a go at that. We can meet at my apartment and spend all day in bed. I'll provide the food and the booze you can supply the very hard cock. I am not interested in people who can't get it up to order or fuck me at least five times a day!'

THERESA ELTHAM

Theresa is the daughter of a Lord and is a pretty top drawer girl. 'I don't really think of myself as posh but I suppose I am. I have been doing charity work overseas for some years and upon returning to the UK I find that all my old friends have married and had children which is pretty boring. So here I am 30-years old with nothing but

the clothes I stand up in desperately in need of somebody to want me. Your people said that I should wear white panties because they turn your readers on. Well I don't think these are very white because I've been wearing them all day long. Look I don't need money but I do need to feel needed by somebody really nice OK?'

KATIE ANDERSON

Poor Katie hasn't had sex for five years and she is pretty fed up with the situation. 'My husband hasn't had any interest in me sexually for years. Then just before Christmas he announces that he is going to live with a girl of 18. She is exactly half my age so there is no way I am going to be able to compete like that is there? I have decided that I am not going to let myself get too upset by this. A friend told me about your magazine so I decided to ask her to take these pictures of me. I hope you like them because I don't think I'm too bad for my age. Obviously I wasn't good enough for my ex husband so I may not be good enough for you in the flesh. I just want to meet a nice guy who doesn't care how old I am and can give me an orgasm. I'm not sure if I can go without sex for much longer. I am so desperate.'

Bet you fancy FUCKING ME NOW!

IT'S YOUR WIFE

← Dear Melanie,

We are two very bored housewives in our thirties. Our husbands are very successful and always away. We have tried the 'L' thing but it wasn't for us. We are cock lovers and no amount of sexual frustration is actually going to change this. No what we need are a couple of 'Fuck Buddies.' If you haven't heard the expression before it means people you just have sex with but no relationship. We would want to do this as a foursome because when we get really turned we do like to lick pussy. If you would like to meet us then drop us a line. We are so fucking horny our pants are like Niagara Falls.' Cathy & Yvonne – Wolverhampton

Dear Melanie, ↓

Hi I am a 34-year-old single mother who has fallen on hard times. I heard from somebody that your readers are keen to buy women's underpants. I hope this is true because I would love to be your number one panty supplier. The panties that I am wearing in this picture I had on for 36 hours. I know you'll love my panties because I will work really hard to make them as fragrant as possible. Please help me to get a better quality of life.

Zara – Bridlington

↑ Dear Melanie,

My husband says he wants to watch me have sex with another man. I'm not keen but he says it turns him on. I have only ever slept with my husband so I am rather new to this and very inexperienced too. He has allowed me to choose the man I want to fuck and as he is a regular reader of your magazine I thought this would be a good place to start. So here I am, 36-years-old with nice boobs. That's about it really because you are obviously not interested in my personality or hobbies. Claire – Romford

MARINA WARREN

Marina a 34-year-old from Brighton loves to cook but at the moment she has nobody to rustle up a few delicacies for. I miss having a man in my life. Its not just the sex its the whole couple thing that I love. Sadly, once you are over thirty men just don't seem to fancy you anymore. Nobody makes a pass at me these days despite the fact that I am really gagging for a stiff cock. I wouldn't mind a younger lover or one who was older. Basically if you can find me a man who

is still breathing and who when I strip off he gets an erection that will do me just fine. I have a very nice house in Surrey and I am financially self supporting so I wouldn't be a burden to you. I do love sex although I don't think I have much experience. I have only ever had two sexual partners and one of those was semi-impotent. My sexual experiences are best forgotten really. I'm looking forward to a new era in that department and I hope that you will help me achieve my wish.'

IT'S YOUR WIFE

← Dear Melanie,

I am a newly unemployed 31-year-old single woman with no prospects. I suppose by rights I should just curl up and die but I refuse to give up without a fight. So my reason for writing is that I am looking for a well-paid job. I don't care what I have to do and I don't mind working in the sex industry. Would you like to buy my little panties after I have worn them all day? Can I appear in your homemade gangbang video? Any work of any kind gratefully accepted. Jules – London

Dear Melanie, →

This is my 34-year-old wife Sarah. I hope that your readers are impressed by her big tits and great figure. We have talked about her fucking one of your readers for quite a while but only really decided to go for it in the last few days. She is willing to do anything and would love to meet readers of all ages and especially older guys. We can accommodate and we look forward to meeting as many of you as possible.

Mark – Streatham

← Dear Melanie,

My wife Saheera is very turned on by the idea of having sex with two men at the same time. We often watch porn movies together and she loves it when a girl has a double penetration. She also loves it when guys cum all over a girl's face. I have promised her that I will set up a porn shoot to include her. Unfortunately, because I am not making any progress she thinks that I am full of shit. If you can help I would be so appreciative. I attach a picture of my wife and hope that horny readers will get in touch.
